

REBUILDING DAY APPLICATION

Dear Dutchess/Ulster County Homeowner:

This package includes an application for our **home repair services** through our Rebuilding Day program. The main goal of the **critical repair** work we perform is to ensure that you can live in a **safe and healthy home**. Before you begin the application, please take a few minutes to review the information below about our application and selection process so you know what to expect over the coming months.

Please note:

Our Service Area: Rebuilding Together Hudson Valley (RTHV) only serves **owner-occupied homes** in Dutchess and Ulster Counties.

Our Application Process: Our process is detailed, and the review of applicants may take several months. We appreciate your patience as we carefully review every application.

Application Period:

Applications will be accepted from **June 1, 2026 - September 30, 2026**, to be considered for service in 2027. During this period RTHV staff will review your application to determine whether you meet our basic income, home value and homeownership eligibility requirements. **Please understand that meeting these basic eligibility requirements does not guarantee that you will receive services.** You will be notified of your qualification status regardless of the outcome.

Next Steps:

Once you have been determined to be qualified an RTHV team member will contact you to schedule one or more required home visits. During these visits we will discuss the program details with you and discuss the **critical home repairs** that you are requesting to ensure that you are able to continue to live in a **safe and healthy** home.

Important: Having a home visit does **not** mean that you have been selected to receive services.

Selection Period:

Because our services are funded through community sponsorships and grants, we can only complete repairs on a limited number of homes per year. After all qualified homeowners have had their homes visited, we will review all of the applications and select the homes that will receive repairs. Rebuilding Day services typically occur from spring through the fall. If your home is chosen a team member will contact you to explain the next steps and provide an estimated timeline for repairs.

If you have any questions about the application process, please call our office at **845-454-7310**. Also, be sure to read the application instructions carefully so your application is complete and can be processed as quickly as possible. We recommend that you remove and keep this cover letter for your records before you submit your application so you can look back at the information within it if needed.

Sincerely,

Rebuilding Together Hudson Valley
